FOR A GOOD REASON
GRUNDIG

Hair Dryer
HD 5300

Product data

- 1800 watt output for professional styling results at home
- Longlife **professional AC motor**
- **PERFECT PROTECTION:** Premium **ceramic coating** of the air outlet grille with **keratin finishing** provides even heat distribution. In this way it protects stressed hair, activates the colour brilliance of the hair and provides for great shine.
- Individual temperature settings: 3 temperature and 2 speed settings to style fine, normal or thick hair
- **Real, professional cold setting** for perfect and long-lasting hairstyles
- Detachable **volume diffuser** brings natural life into wavy hair, volume into fine hair and strengthens the hair line
- Extra-narrow styling nozzle for precise drying and styling
- 1.8 meter cable with eyelet for hanging up guarantees freedom of movement when styling
- Colour: Anthracite / Turquoise
